Dear Sidney:-

I sincerely hope that your rheumatism no longer troubles you.

After a very "strenuous" vacation I arrived in Akron about noon yesterday. This morning I inquired about the Centennial. Please write to Mr. Helm on the official stationery of the Society a request for a bronze medal and all data pertaining to the Centennial. It will be sent.

I wish to express to you my sincere thanks for the delightful time you gave me while in New York, and I wish to reiterate my invitation to visit me in Akron as soon as you can come.

Very sincerely your friend,
Art Murphy

Gentlemen:

Through Mr. Murphy, one of your fellow-citizens, I learned of the medal which has been struck to celebrate the centennial of Akron. The American Numismatic Society makes an effort to secure specimens of all such issues and our collection has a very considerable number of these medals.

Should it prove possible for you to present a specimen for our cabinet we should very greatly appreciate the courtesy. Such pieces serve as examples for issues of other towns and it is, of course, fitting that they should be deposited in an institution such as ours where their historical value is appreciated and safeguarded.

Very truly yours

It is hoped this is satisfactory and that you
